CAREER OBJECTIVE

Seeking a challenging role in Computer Engineering to apply and grow skills in programming, networking, and emerging technologies while contributing to organizational success and continuous learning.

WORK EXPERIENCE

Full Stack Development Intern

Dec 2025 – Mar 2026

Animz Max, Vadodara

- Built robust server-side logic and RESTful APIs, ensuring seamless data integration between the database and front-end interfaces.
- Designed efficient database schemas and optimized SQL queries, significantly improving data retrieval speeds.
- Debugged critical backend bottlenecks, resulting in highly stable and scalable application features.

Software Developer Intern

May 2025 – Jun 2025

Spaculus Software, Vadodara

- Developed a commercial-grade Time Tracker system in Python featuring real-time user tracking, session logging, and idle time detection.
- Built admin dashboards for project-wise reporting and optimized MySQL database interactions using Python ORM tools.
- Collaborated seamlessly with frontend teams for rapid integration and performance testing.

Front End Development Intern

May 2025 – Jun 2025

Spider Web Solutions, Vadodara

- Developed a dynamic eCommerce platform utilizing PHP, MySQL, HTML, CSS, and JavaScript.
- Integrated secure user authentication, profile management, and robust session handling.
- Designed responsive, cross-browser compatible interfaces and conducted collaborative debugging to enhance scalability.

Stock Market Intern

Oct 2023 – Jan 2024

Growth Cules

- Built and managed stock market portfolios utilizing diverse investment strategies.
- Conducted in-depth market research to identify emerging trends and potential investment opportunities.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science & Engineering <i>Parul Institute Of Engineering And Technology</i>	2026 – 2028
Professional Certification Program, AI And Data Science <i>DRISHTI CPS IIT Indore</i>	2025 – 2027
Diploma, Computer Science & Engineering <i>Parul Polytechnic Institute CGPA: 8.29/10</i>	2023 – 2026
Secondary (X), GSEB <i>Baroda High School Percentage: 46.00%</i>	2023

PROJECTS

- **Traveloop (May 2026):** Built a full-stack travel app for multi-stop itineraries and expense tracking with real-time currency conversion using React, Vite, Flask, and MySQL.
- **Personal Portfolio Website (Sep 2025 – Nov 2025):** Developed a responsive portfolio using HTML, CSS, JavaScript, PHP, and Tailwind CSS featuring dynamic project listings and efficient data management.
- **Royal Threads (Animz Max) (May 2025 – Jun 2025):** Designed an anime-inspired full-stack eCommerce site using PHP and MySQL with secure checkout, session-based user tracking, and an admin dashboard.
- **Hydrox (Dec 2024 – Feb 2026):** Built an IoT-based smart irrigation system utilizing soil sensors, Bluetooth automation, and a Python Flask dashboard for real-time crop-specific watering schedules.
- **TockWise Time Tracker (May 2025 – Jul 2025):** Developed a Python desktop app for real-time workforce tracking, idle detection, and admin analytics utilizing secure MySQL storage.
- **Vidyut (Sep 2024 – Oct 2024):** Created a blockchain data management system for sensitive records utilizing Ethereum, Solidity smart contracts, and a React (Web3.js) user interface.

SKILLS

Programming: JavaScript, Java, HTML 5, Python, CSS, PHP

Database Management: MySQL, MS SQL Server, Database Management System (DBMS)

Core & Emerging Technologies: Internet of Things (IoT), Data Engineering

Tools & Platforms: Microsoft Visual Studio, GitHub, Google Workspace, MS-Office

Other Skills: Digital Marketing

LANGUAGES

English: Expert	Japanese: Intermediate	Russian: Beginner
Gujarati: Expert	German: Beginner	
Hindi: Expert	Spanish: Beginner	

TRAININGS / CERTIFICATIONS

Artificial Intelligence Course

Feb 2026 – Mar 2026

Intellipaat

Python For Data Science

Jun 2025

Intellipaat

PYTHON USING AI WORKSHOP

Jun 2025

AI For Techies

Operating System

Oct 2024

Networking Academy

Microsoft SQL Certification Training

Aug 2025 – Sep 2025

Intellipaat

Python Certification Course

Jun 2025

Intellipaat

Tata Cybersecurity Security Analyst Job Simulation

May 2025

Forage

Data Analytics

Mar 2024
